### TESTIMONIALS.

#### TO WHOM IT MAY CONCERN:

I believe in such an organization as the HARRISON MUTUAL BURIAL ASSOCIATION because of the payment of a reasonable sum a year:

(1) A man may insure against a surprise in the inevitable thing, viz: his death and burial.

(2) One's friends or family need not be called on to bear heavy funeral expenses,—a too common occurrence,—that a man may meet himself.

(3) Some influence is created toward reducing the cost of funerals. The sum for which one insures suggests a cost in keeping with good taste and the average income.

THEODORE RICHARDS.

Harrison Mutual Burial Association:

Gentlemen:—Your Association not only assures every member of a proper and decent burial at a very small cost, but relieves others of a responsibility they are not always prepared to meet.

Yours respectfully,

FATHER H. VALENTIN.

Gentlemen:—I cheerfully give my indorsement to the Harrison Mutual Burial plan and believe it a great benefit to the community.

Very truly yours,

H. H. PARKER.

TO THE READER.

This is not a money making scheme, but a protection to every man and his family at a very small expense. It is so easy that anybody can be a member of this Association without burdening himself or family. Do not hesitate or wait too long, but join this Association—the sooner the better. You do not know what may happen to you. Be protected and be prepared for the emergency.
